Limited Warranty –OMNI Vantage Outer Shell Fabric

Norfab warrants its Fire Fighter Protective clothing Fabric to be free from defects in materials and workmanship for the serviceable life of a garment when properly used and cared for. Our obligation under this warranty shall be limited to the repair or replacement, without charge, of any product returned to Norfab at buyer's expense and is determined by us to be defective in materials or workmanship.

This warranty shall not be effective unless the products are used for the purpose for which they were designed and intended, and are used by trained personnel following proper fire fighting procedures and in accordance with the product's warning, use, inspection, maintenance, care, storage and retirement instructions. Failure to properly care for the fabric in the garment will lead to a shortening of the serviceable life.

"Serviceable" refers to the general condition of the fabric in the garment which can be expected to provide at least reasonable limited protection against the hazards from which the fabric (garment) was designed to protect. "Serviceable life" is the period of time the protective clothing fabric, which has been properly cared for, can be expected to provide reasonable limited protection. "Defects in Workmanship" refers to improperly manufactured fabric- such as weaving defects (missed ends, patterns, yarn defects).

This warranty does not cover wear and tear nor damage from fire, heat, chemicals, misuse, accident or negligence.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. The remedy of repair or replacement for breach of warranty shall be the sole and exclusive remedy and Norfab shall not under any circumstances be liable for incidental or consequential damages.

IMPORTANT: This warranty applies to all NFPA 1971-2013 approved "garment manufacturers".
